 - (i) the consideration, value of the assets, capital outlay or costs of the Recurrent Related Party transactions is RM1 million or more; or

Where any Director has any interest (direct or indirect) in any RRPT, such Director shall abstain from deliberation and voting on the matter. If it is determined that the guidelines and/or procedures stipulated in Section 2.7 of Part A of this Circular/Statement are inadequate, Focus Point will obtain a fresh shareholders' mandate and to ensure that:

- (a) RRPT(s) will be conducted on an arms' length basis and on normal commercial terms and transaction prices which are not more favourable to the Related Parties than those generally available to the public; and
- (b) such transaction will not be detrimental to the minority shareholders of the Company.

The management of Focus Point will ensure that the Recurrent Related Party Transactions with interested Related Parties will only be transacted at the prevailing market rates/prices for the services or products on the usual commercial terms, or otherwise in accordance with applicable industry norms, after taking into account the pricing, level of services, quality of products and other related factors.

Wherever practicable and/or feasible, at least two (2) other contemporaneous transactions with unrelated third parties for similar products or services and/or quantities will be used as comparison to determine whether the transaction price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.

In the event that quotations or comparative pricing from unrelated third parties cannot be obtained for the proposed transactions, the Audit Committee shall review the transaction price based on their knowledge and usual business practices of the Group to ensure that the Recurrent Related Party Transactions are not detrimental to Focus Point Group.

In addition, if the actual value of the RRPTs entered into by the Group exceeds the estimated value of the RRPTs as disclosed in the circular to shareholders on the Proposed Renewal of RRPT Mandate by 10% or more, the Company will make an immediate announcement to Bursa Securities.

If during the annual review, the Audit Committee and Board are of the view that the review procedures and processes are no longer appropriate, adequate or sufficient to monitor, track and identify RRPTs as well as to ensure that the RRPTs are made on arm's length basis, on terms and transaction prices not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the

minority shareholders, the Audit Committee will recommend to the Board to revise the existing procedures and processes to ensure the Group has in place adequate procedures and processes at all times.

- (b) The Proposed Renewal of RRPT Mandate will substantially reduce the expenses associated with convening of general meetings on an ad hoc basis and hence will reduce the expenses associated therewith; and
- (c) The RRPTs entered into by the Group are intended to meet the business needs at the best possible terms and also to enhance the Group's ability to explore beneficial business opportunities and to promote cross-selling within the Focus Point Group and the Related Parties, which will be of benefit to all the companies within the Focus Point Group.

To: The Shareholders of Focus Point Holdings Berhad

Dear Sir/Madam,

PROPOSED RENEWAL OF SHARE BUY-BACK MANDATE

1. INTRODUCTION

At the 13th AGM of the Company held on 25 May 2022, the Company had obtained the shareholders' mandate for the Proposed Share Buy-Back by Focus Point of up to 10% of its total number of issued shares of the Company at any point of time through Bursa Securities. The said mandate shall lapse at the conclusion of the forthcoming 14th AGM unless the approval for its renewal is obtained from the shareholders at the forthcoming 14th AGM.

On 14 April 2023, the Board announced that the Company proposes to seek shareholders' approval for the Proposed Renewal of Share Buy-Back Mandate at the forthcoming 14th AGM.

The purpose of this Statement is to provide you with the details of the Proposed Share Buy-Back Mandate and to seek your approval for the Ordinary Resolution pertaining to the Proposed Share Buy-Back Mandate to be tabled at the forthcoming 14th AGM of the Company which will be held at Ballroom V, Main Wing, Tropicana Golf & Country Resort, Jalan Kelab Tropicana, 47410 Petaling Jaya, Selangor Darul Ehsan on Thursday, 25 May 2023 at 10.00 a.m. The Notice of 14th AGM together with the Form of Proxy and Administrative Guide to the 14th AGM are set out in the 2022 Annual Report, and can be downloaded at the Company's website at http://focuspoint.listedcompany.com/general_meetings.html.

SHAREHOLDERS OF FOCUS POINT ARE ADVISED TO READ AND CONSIDER CAREFULLY THE CONTENTS OF THIS CIRCULAR/STATEMENT BEFORE VOTING ON THE ORDINARY RESOLUTION TO GIVE EFFECT TO THE PROPOSED SHARE BUY-BACK MANDATE AT THE FORTHCOMING 14TH AGM.

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK MANDATE

The Company had at its 13th AGM held on 25 May 2022 obtained an approval from its shareholders to purchase up to ten per centum (10%) of the total number of issued shares and the said approval will be expiring at the conclusion of the forthcoming 14th AGM of the Company unless the approval is renewed.

The Company proposes to seek the approval from the shareholders of the Company at the forthcoming 14th AGM for the Proposed Renewal of Share Buy-Back Mandate.

The approval from the shareholders would be effective immediately upon the passing of the ordinary resolution for the Proposed Renewal of Share Buy-Back Mandate at the forthcoming 14th AGM and shall continue to be in force until:-

- (a) the conclusion of the next AGM of the Company following the general meeting at which such resolutions is passed, at which time it shall lapse unless by an ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM of the Company is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders in a general meeting;

whichever occurs first.

3. MAXIMUM NUMBER OR PERCENTAGE OF SHARES TO BE ACQUIRED

The maximum number of Focus Point Shares which may be purchased by the Company shall not exceed ten per centum (10%) of the total number of issued shares of the Company in compliance with Paragraph 12.09 of the Listing Requirements.

On 4 April 2023, the shareholders had approved the Company's Bonus Issue of up to 131,999,790 new ordinary shares in Focus Point ("Proposed Bonus Issue of Shares"). Assuming the Proposed Bonus Issue of Shares has been issued on the entitlement date of 19 April 2023, the maximum number of Focus Point Shares that can be purchased and/or held by the Company will be as follows:-

	As at LPD	After the Proposed Bonus Issue of Shares
Total number of issued shares	329,999,477	329,999,477
Assuming the Proposed Bonus Issue of Shares as approved by shareholders on 4 April 2023 has been issued	-	131,999,790
Enlarged number of issued shares	<u>329,999,477</u>	<u>461,999,267</u>
10% of the total number of issued shares	<u>32,999,947</u>	<u>46,199,926</u>
Maximum number of shares which may be purchased in respect of the Proposed Share Buy-Back	<u>32,999,947</u>	<u>46,199,926</u>

The actual number of Focus Point Shares to be purchased by the Company pursuant to the Proposed Renewal of Share Buy-Back Mandate, the total amount of funds involved for each purchase and the timing of the purchase(s) will depend on inter-alia, the market conditions and sentiments as well as the availability of financial resources and the availability of the retained profits of the Company at the time of purchase(s).

4. MAXIMUM AMOUNT OF FUNDS TO BE ALLOCATED AND THE SOURCE OF FUNDS

The funding for the Proposed Share Buy-Back Mandate will be from internally generated funds or external borrowings or a combination of both, and the maximum amount of funds to be used for the purchase of Focus Point Shares pursuant to the Proposed Share Buy-Back shall not exceed the retained profits of the Company.

The retained profits of the Company based on the Audited Financial Statements for the financial year ended 31 December 2022 is RM61.61 million.

The Proposed Share Buy-Back, if funded through internally-generated funds, is not expected to have a material impact on the cash flow position of the Company. In the event the Company purchases and holds its own Shares using external borrowings, the Board will ensure that the Company has sufficient funds to repay the external borrowings and the repayment is not expected to have a material effect on the cash flow of the Company. In addition, the Board will ensure that the Company satisfies the solvency test as stated in Section 112(2) of the Act before implementing the Proposed Share Buy-Back.

5. TREATMENT OF PURCHASED SHARES

In accordance with Section 127(4) of the Act, the Directors may, at their discretion, deal with the Purchased Shares until all the Purchased Shares have been dealt with in the following manner:-

- (a) to cancel all or part of the Purchased Shares; or
- (b) to retain all or part of the Purchased Shares as treasury shares as defined in Section 127 of the Act.

Based on Section 127(7) of the Act, where such Purchased Shares are held as treasury shares, our Directors may at their discretion:

- (a) distribute all or part of the treasury shares as dividends to our shareholders, such dividends to be known as "shares dividends";
- (b) resell or part of the treasury shares in accordance with the Listing Requirements;
- (c) transfer all or part of the treasury shares for the purposes of or under an employees' share scheme established by the Company and/or its' subsidiaries;
- (d) transfer all or part of the treasury shares as purchase consideration;
- (e) cancel all or part the treasury shares;
- (f) sell, transfer or otherwise use the Shares for such other purposes as the Minister charged with the responsibility for companies may by order prescribe; and/or
- (g) deal with the treasury shares in any other manners as allowed by the Act, Listing Requirements, applicable laws, rules, regulations, guidelines, requirements and/or orders of any relevant authorities for the time being in force.

While the Purchased Shares are held as treasury shares, the treasury shares shall not be taken into account in calculating the number or percentage of shares, or of a class of shares in the Company for any purposes including, without limiting the generality of the provision of Section 127 of the Act, the provision of any law or the requirements of the Company's Constitution or the Listing Requirements on substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting. An immediate announcement will be made to Bursa Securities in respect of the intention of the Board on the treatments of the Purchased Shares, i.e., notification of purchase, resale or transfer or cancellation of the Purchased Shares as per the Listing Requirements.

As at the date of this Statement, the Board has yet to make any decision with regards to the treatment of the Shares so purchased in the future.

Where the Directors resolve to cancel the Purchased Shares or cancel any treasury shares, the number of the Company's issued shares shall be diminished by the cancellation of the Shares so cancelled. It is pertinent to note that the cancellation of Shares made pursuant to Section 127(15) of the Act shall not be deemed to be a reduction in share capital.

6. RATIONALE FOR THE PROPOSED SHARE BUY-BACK

The Proposed Share Buy-Back will enable the Company to utilise its surplus financial resources to purchase its own Shares from the open market of Bursa Securities. The Proposed Share Buy-Back, if implemented, may also assist in stabilising the supply and demand as well as the market price of the Shares traded on Bursa Securities.

The Purchased Shares, whether to be held as treasury shares or subsequently cancelled, will effectively reduce the number of Shares carrying voting and participation rights. Therefore, the shareholders of the Company may enjoy an increase in the value of their investment in the Company due to improvement to the consolidated EPS and/or NA per Share, as a result of the decreased share capital base used for the computation of the EPS and NA.

The Purchased Shares can be held as treasury shares and resold on the stock market of Bursa Securities at a higher price with the intention of realising capital gain without affecting the total number of issued shares of the Company. Should any treasury shares be distributed as share dividends, this would serve to reward the shareholders of the Company.

7. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED SHARE BUY-BACK

The potential advantages of the Proposed Share Buy-Back to the Company and its shareholders are as follows:-

- (i) The Proposed Share Buy-Back, if implemented, will allow the Company to utilise its surplus financial resources not immediately required for use, to purchase Focus Point Shares. If the Focus Point Shares purchased are held as treasury shares or cancelled immediately, this may improve the consolidated EPS and NA per share;
- (ii) The Proposed Share Buy-Back may also stabilise the supply and demand of Focus Point Shares traded on the stock market of Bursa Securities which will reduce the volatility of Focus Point Share prices. The stability of Focus Point Share prices is important to maintain investors' confidence in order to facilitate future fund-raising exercises of the Company via the equity market;
- (iii) The Proposed Share Buy-Back will provide the Company the opportunities for potential capital gains if the purchased Focus Point Shares which are retained as treasury shares are resold at prices higher than the purchase prices and such proceeds may be subsequently used for investment opportunities arising in the future, working capital and/or to be distributed as dividends to shareholders; and
- (iv) In the event that the treasury shares are distributed as share dividends by the Company, it may then serve to reward the shareholders of Focus Point.

The potential disadvantages of the Proposed Share Buy-Back to the Company and its shareholders are as follows:-

- (i) The Proposed Share Buy-Back, if implemented, will reduce the amount of financial resources available for distribution to the shareholders of the Company;
- (ii) If the Company decides to utilise bank borrowings to finance the Proposed Share Buy-Back, the cash flow of the Company may be affected to the extent of the interest costs associated with such borrowings;
- (iii) The funds allocated for the Proposed Share Buy-Back could be used for other investment opportunities which may emerge in the future; and
- (iv) As the Proposed Share Buy-Back must be made wholly out of the Company's retained profits, the amount of retained profits available for distribution as dividends to the shareholders will be reduced accordingly.

The Proposed Share Buy-Back, however, is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be implemented only after in-depth consideration of the financial resources of the Company which need to be balanced against investment opportunities and other proposals that can enhance the value to its shareholders. The Board is mindful of the interests of the Company and its shareholders with respect to the above exercise.

8. FINANCIAL EFFECTS TO THE PROPOSED SHARE BUY-BACK

The financial effects of the Proposed Share Buy-Back on the share capital, earnings, working capital, NA, dividends and shareholdings of Directors and Substantial Shareholders of the Company or Group are set out below:-

8.1 Share Capital

The effect of the Proposed Share Buy-Back on the issued share capital of the Company will depend on whether the Purchased Shares are cancelled or retained as treasury shares. The Proposed Share Buy-Back will result in a reduction of the issued shares capital of the Company if the Purchased Shares are cancelled.

Assuming the Proposed Bonus Issue of Shares has been issued on the entitlement date of 19 April 2023, and the Proposed Share Buy-Back is carried out in full and all the Purchased Shares are cancelled, the issued share capital of the Company will be as follows:-

	<u>As at LPD</u>	<u>After the Proposed Bonus Issue of Shares</u>
Total number of issued shares	329,999,477	329,999,477
Assuming the Proposed Bonus Issue of Shares as approved by shareholders on 4 April 2023 has been issued	-	131,999,790
Enlarged number of issued shares	<u>329,999,477</u>	<u>461,999,267</u>
10% of the total number of issued shares	<u>32,999,947</u>	<u>46,199,926</u>
Maximum number of shares which may be purchased in respect of the Proposed Share Buy-Back	<u>32,999,947</u>	<u>46,199,926</u>

Conversely, if all the Focus Point Shares purchased are retained as treasury shares, the Proposed Share Buy-Back will not have any effect on the issued share capital of Focus Point. Nevertheless, certain rights attached to the Purchased Shares are suspended while they are held as treasury shares.

8.2 Earnings

The effect of the Proposed Share Buy-Back on the EPS of the Focus Point Group is dependent on the number and the purchase price of the Purchased Shares, the effective funding cost and/or loss in interest income foregone in connection with the funding of such Purchased Shares.

If the Purchased Shares are retained as treasury shares or cancelled subsequently, the number of shares applied in the computation of the EPS will be reduced and this may improve the consolidated EPS of Focus Point Group.

8.3 NA

The effect of the Proposed Share Buy-Back on the NA of the Focus Point Group is dependent on the number of Purchased Shares, the purchase price of the Focus Point Shares, the effective cost of funding and the treatment of the shares purchased.

The Proposed Share Buy-Back will reduce the NA per Share if the purchase price is more than the NA per Share at the time of purchase. On the contrary, the NA per Share will increase if the purchase price is less than the NA per Share at the time of purchase.

8.4 Working Capital

The Proposed Share Buy-Back, as and when implemented, will result in an outflow of cash and thereby reduce the working capital of Focus Point Group. The quantum of the reduction in working capital is dependent on the purchase prices and the number of Focus Point Shares purchased.

However, for the Focus Point Shares so purchased and kept as treasury shares, upon resale at a higher selling price than the initial purchase price, the working capital and cash flow of the Company will increase. The quantum of the increase in the working capital and cash flow will depend on the actual selling price of the treasury shares and the number of treasury shares resold.

8.5 Dividends

Assuming the Proposed Share Buy-Back is implemented in full and the dividend quantum is maintained at historical levels, the Proposed Share Buy-Back will have the effect of increasing the dividend rate of Focus Point as a result of the reduction in the issued share capital of the Company as described under section 8.1 above

THE REMAINING OF THIS PAGE IS INTENTIONALLY LEFT BLANK

8.6 Directors' and Substantial Shareholders' Shareholdings

Based on the Register of Directors' Shareholdings and Register of Substantial Shareholders of the Company as at LPD and assuming that the Proposed Share Buy-Back is implemented up to 10% of the total number of issued shares (based on the number of shares held as at LPD and after the Proposed Bonus Issue of Shares) and that the Purchased Shares are from the shareholders other than the Directors and Substantial Shareholders of Focus Point, the effect of the Proposed Share Buy-Back on the shareholdings of the Directors and Substantial Shareholders of Focus Point are set out below:-

^ Assuming the Proposed Share Buy-Back is implemented in full i.e., up to 10% of the total number of issued shares of the Company are held as treasury shares and that the Directors and the substantial shareholders' shareholdings in Focus Point remain unchanged.

(1) Deemed interested by virtue of the interest of his/her spouse and child pursuant to Section 59(11)(c) of the Act.

9. PUBLIC SHAREHOLDING SPREAD

As at LPD, the public shareholding spread of the Company was 34.397%. The Proposed Share Buy-Back will be carried out in accordance with the prevailing laws at the time of the purchase including compliance with 25% public shareholding spread as required under Paragraph 8.02(1) of the Listing Requirements.

The Board will endeavour to ensure that the Company complies with the public shareholding spread requirements and shall not buy back the Company's Shares if the purchase would result in the public shareholding spread requirements not being met.

10. IMPLICATION OF THE CODE

If any one of the Directors, Substantial Shareholders and/or their respective parties acting in concert with them, as a result of the Proposed Share Buy-Back:

- (a) obtains control in the Company (which is the holding of, or entitlement to exercise or control the exercise of, more than 33% of the voting shares or voting rights of the Company); or
- (b) increases his/their existing shareholdings of the Company (which is more than 33% but not more than 50% of the voting shares or voting rights of the Company) by more than 2% in any six (6) months period,

the affected Director, Substantial Shareholder and/or parties acting in concert with them ("Affected Person(s)") would be obliged to undertake a mandatory offer for the remainder Focus Point Shares not already owned by them pursuant to the Code. However, a waiver to undertake a mandatory offer may be granted by the SC under the Code upon application by the Affected Person(s) before triggering the mandatory offer and subject to the affected Director, Substantial Shareholder and/or parties acting in concert with them complying with certain conditions.

The Board is aware of the implications of the Code and will be mindful of such implications when making any purchase of Focus Point Shares pursuant to the Proposed Renewal of Share Buy-Back Mandate.

However, in the event an obligation to undertake a mandatory offer is expected to arise with respect to any party or parties resulting from the Proposed Share Buy-Back, which is an action outside its direct participation, the relevant parties will make necessary application to the SC for an exemption from undertaking a mandatory offer pursuant to the Code prior to any buy-back of the Shares.
